For the health and well being of your pet we require:

- All animals to be free of internal and external parasites
- Current vaccinations with verification from a licensed veterinarian
 - 1) All Dogs must be current on Rabies, DHPP, Bordetella, and Influenza
 - 2) All cats must be current on Rabies, FVRCP, and FeLV

All required vaccinations that are not current must be updated. Any medications for parasitic control will be administered if necessary. Charges for all necessary procedures or services to fulfill the boarding requirements will be the responsibility of the owner.

We provide Purina EN dry food for dogs and Pro Plan dry food for cats. You're welcome to bring the pets own food, we ask that you provide enough food for the entire length of stay with clearly labeled feeding instructions. We will not accept treats or chew bones that could be considered a choking hazard.

We will provide all bedding for your pet during his/her stay to avoid loss or damage to personal items.

All medications must be in the original prescription vial or over the counter packaging with clear and concise dosing instructions. There is an additional fee of \$2.00 per day for administering medication.
